

## **Session: Free-papers Session**

**Date: 11<sup>th</sup> May, 2025. Sunday**

**Time: 08:00 AM – 09:00 AM**

**Hall: Main Hall**

**Important Information:** The presentation should not be more than 5 minutes talk + 1 minute Q and A. All presenters need to carry the presentation in pen-drive in PPT format and submit them before the session in Preview room. All presenters have to use the Free-papers Presentation template. Below are the guidelines for Free-papers session. All presenters are requested to arrive 30 minutes before their session to avoid any last-minute inconvenience.

### **General specifications:**

- *There should be not more than FIVE slide (excluding the intro Slide).*
- *File format should be Power point (.PPT/.PPTX).*
- *The PPT slide should be in landscape orientation in 16:9 ratio.*
- *Animation/movies/sounds will not be supported; please submit in a static PPT format only.*

### **Design specifications:**

- *The presentation needs to be created as per suggestion under.*
- *The text should include Aim/ Objective, Methods, Results and Conclusion.*
- *The typeface/ font chosen should be a simple and clear one (Calibri only) – minimum 11 points and maximum 20 points is a well-accepted font size.*

### **Colour suggestions:**

- *When using light backgrounds (white, yellow, light blue) we suggest using dark fonts (black & navy blue).*
- *Avoid using red or green colour fonts or the background as they are colours that are difficult to be read.*
